

Title: Chicago Department of Public Health Clinic Locations

Brief description: City of Chicago Mental Health, Sexually Transmitted Infection (STI) Specialty, and Women Infant Children (WIC) clinic locations, hours of operation and contact information.

Full description: City of Chicago Mental Health, Sexually Transmitted Infection (STI) Specialty, and Women Infant Children (WIC) clinic locations, hours of operation and contact information. WIC is a federally funded program implemented by the City of Chicago Department of Public Health. The program provides nutritious foods and counseling to eligible pregnant, breastfeeding, postpartum women, children and infants. To be eligible for WIC Services, some requirements may apply, go to http://www.cityofchicago.org/city/en/depts/cdph/provdrs/clinic/svcs/apply_for_wic_.html for more information.
